

TWINDREAMERS!

a mini electric zine
celebrating Skip and Sunny

FOREWORD

Hello! Whether you're viewing this digitally or you printed a copy, many thanks for checking out this zine. TWINDREAMERS! is dedicated to Skip and Sunny, a pair of Klololo fankids who belong to myself and MacaHeroes, one of my best friends. I don't think I've seen a fankid-focused zine before, so what better way to celebrate the twins' birthday?

I'd like to dedicate this zine to my closest friends, Maku and Joshby, for being some of the kindest, supportive individuals I've ever met. Thank you both immensely.
